

InkSM from Chase Fact Sheet

What is Ink from Chase?

Ink from Chase is a new suite of business cards offering powerful, flexible payment solutions and resources to meet the unique needs of small business owners. This new business card portfolio includes six distinct cards for small business owners, including Chase's first pay-in-full charge card – a first from issuers of Visa[®] or MasterCard[®].

What cards are included in the Ink from Chase portfolio?

The Ink from Chase portfolio includes six distinct cards – Ink Bold, Ink, Ink Plus, Ink Cash, Ink Exclusives and Ink Capital Exclusives – developed specifically for small business owners. They deliver unique solutions based on a small business owner's spending habits, cash flow needs and the ability to earn and redeem rewards.

What types of benefits will small business owners receive with Ink from Chase?

Small business owners who use Ink from Chase have access to a core set of business tools, including:

- Ability to earn **rewards on all business spending** and redeem for items that can be reinvested back into the business or for personal use through Chase's [Ultimate RewardsSM](#) program or cash back;
- **Online expense management tools** to manage their business spending, complete with online reporting capabilities and customized reports on spending that can be categorized, sorted and downloaded to accounting software for easy tracking and tax purposes;
- **Additional cards for employees** with individual spending limits and custom alerts delivered via e-mail or text to track employee spending – all while earning rewards from employees' purchases;
- Ability to control and **customize payment terms** through [BlueprintSM](#) – small business owners can choose to pay a minimum, portion or full balance each month;
- Access to a **dedicated team of business card specialists** who understand the unique financial needs of small business owners; and
- Additional security with **fraud and purchase protection** features that provide peace of mind for small business owners; and
- **No monthly service fee** on eligible Chase Checking accounts when linked to your active Ink business credit card.

Where are Ink from Chase cards accepted?

Ink from Chase cards are accepted worldwide at twice as many locations as American Express.

Where can small business owners get more information?

To get more information about the benefits of Ink and find the card that is right for their business, small business owners can visit www.chase.com/ink. Or visit one of our more than 5,000 Chase branches.
